

# On the Bluff

A joint publication  
of the Village of Lake Bluff  
the Lake Bluff Park District  
and Lake Bluff School District 65

*On the Bluff* is a publication of the Village of Lake Bluff, the Lake Bluff Park District, and Lake Bluff School District 65 as part of ongoing efforts to cooperate, provide mutual support, and share services to increase efficiencies for our shared taxpayers. Please let us know what you think, and what you'd like to read about. Email or call any of the contacts listed inside.

## Village News

### Village President's letter

In *Walden*, Thoreau writes of "pleasant spring days, in which the winter of man's discontent was thawing as well as the earth, and the life that had lain torpid began to stretch itself." Even if this wasn't Lake Bluff's harshest winter, anticipation hangs in the air for the new beginnings that this spring offers.

### Civility and respect

One such beginning I hope you will join me in is a new commitment to civility in how we treat each other. These are not easy times to preach about civility. Clamor surrounds our political dialogue today. Even in small disagreements, the temptation tugs at us to jump to easy conclusions and assume the worst of each other. We must redouble ourselves to the hard work of understanding and resolving differences. We must remember that we are engaging with our neighbors, and not debating

*President's message continued on page 2*

## Park District News

### Park District Board weighing options for future of Golf Club

The Park District Board of Commissioners and staff want to thank everyone who participated in the public input process regarding the question: *Should the Park District continue to offer and/or operate the Lake Bluff Golf Club?*

That question was discussed by the Board at its March 19 Open Board Meeting after three previous public input sessions. During the most recent meeting, residents were told that Standard & Poor's recently downgraded the Park District's bond rating due in part to "chronic golf course shortfalls." The Board made several directives to Park District staff: Engage Billy Casper Golf on the potential impacts of increased marketing efforts and adjustments to Golf Club fees; issue a nationwide RFP to lease the Golf Club (15-year minimum lease); request that the Village of Lake Bluff revise the zoning classification of all

*continued on page 4*

## School District News

### District 65 earns two awards for outstanding financial reporting

Lake Bluff Elementary School District 65 has been awarded the Association of School Business Officials International *Certificate of Excellence in Financial Reporting* and the Government Finance Officers Association of the US and Canada (GFOA) *Certificate of Achievement for Excellence in Financial Reporting*.

The distinctions recognize high standards of financial reporting and accountability in the District's Comprehensive Annual Financial Report (CAFR) for fiscal year 2017. "The CAFR has been judged by an impartial panel to meet the high standards of the program, which includes demonstrating a constructive 'spirit of full disclosure' to clearly communicate its financial story and motivate users and user groups to read the CAFR," said the GFOA.

"The District has always met the highest standards of financial rigor and fulfilled its responsibility *continued on page 6*

# News from the Village of Lake Bluff

## Village President's message

*continued from front*

our rivals. This exchange has made our Village a beacon on the North Shore for almost 125 years; I hope we will not forget it despite the culture around us. I hope you will join me in reflecting on this in the coming weeks, and I invite you to write me at [kohara@lakebluff.org](mailto:kohara@lakebluff.org) or to send a letter to Village Hall, 40 E. Center Ave. with your thoughts.

### Herb and Janet Nelson

Just as civil dialogue is our foundation, the keystone of our Village is unpaid volunteers who give generously of their time, talents, and sound judgement.

In March, we honored two of Lake Bluff's volunteers with the Phyllis Albrecht Award for Distinguished Service. Janet and Herb Nelson have lived in Lake Bluff for 57 years and have been building our community ever since. Together, they moved their business to the Waukegan Road business park, broadcast

countless public meetings, taught our children, and led our schools as well as our history museum and historic preservation efforts. On behalf of the Board, I thank them again for their service.

### Quasiquicentennial Committee

Say it with me – “*Kwos-Kwee-Centennial.*” Fun, right? This word means that our Village has existed for 125 years of valuable history and memories. This anniversary is a unique chance to honor our past, celebrate the present, and embrace the future of Lake Bluff through civic pride and partnerships. As I wrote above, volunteers are the heart of our Village – and I am asking for volunteers to help plan events, projects, and activities to celebrate this important milestone alongside our residents, businesses, and civic organizations. If you are interested, call Village Hall at 847-234-0774 to obtain an application.

### Joint Fire and EMS proposal

Another facet of our volunteer tradition is our Fire Department. As you may know, the Village approached the governing body of the Knollwood Fire Department in mid-February with a proposal to jointly provide fire and emergency medical services for both communities at a significant cost savings to the taxpayer. At the time of this writing,

the Rockland Fire Protection District is still considering our proposal alongside others from nearby municipalities. Keep an eye out for opportunities for public engagement as they continue their deliberations.

### Spring showers...

Unfortunately, the start of Spring means that storms will visit our Village soon. Last year's July flooding was an extraordinary event that we hope will not occur again. Still, this is a great opportunity to make sure you are prepared. Check your gutters and sump pump, and make sure your emergency contact information is up-to-date by visiting “[Residents > Emergency Notification](#)” on the Village website. You can also find tips to protect your home under “[Departments > Public Works > Stormwater Solutions.](#)”

### Special events and wrapup

Finally, details will be out soon for our Village special events. We will again produce our “Buzz on the Bluff” postcard with the Chamber of Commerce, which will arrive in your mail soon. Mark your calendars and join us for some of the iconic moments that make our community great.

## LOCK. YOUR. CARS.

Gang-affiliated criminals continue to strike Lake Bluff and the North Shore. Often we find these auto-burglaries have one thing in common: **the car is left unlocked.** It takes less than 20 seconds to open an unlocked car, grab what is in plain view, check the usual hiding places for other items, and get away. **How long would it take you to lock your car?**

## Upcoming road improvements

This year, the Village is resurfacing about two miles of local streets. Contractors will remove the top two to four inches of asphalt and lay a fresh driving surface. This year’s program includes sections of Margate Ct., W. Center Ave., W. Hawthorne Ct., E. Washington St., E. Sheridan Pl., Vincent Pl., the Park Ave. alley, Sylvan Rd., E. Scranton Ave., and Moffett Rd. Affected residents will receive letters in late April.

## Train Station renovations

Thanks to a partnership with Metra, our Metra station is currently undergoing renovations. Train schedules will not be affected; however, the station lobby will be closed for construction during the month of May. For more information, visit [lakebluff.org/TrainStationRenovation](http://lakebluff.org/TrainStationRenovation)

## Utility auto pay

You can now enroll in auto pay for your water bill! Enrollment forms can be obtained from the Village website or from Village Hall, and one will be enclosed in your next water bill.

## Beach parking soon

No street parking is permitted on streets east of Moffett Road starting April 1 and ending September 30. The road must be clear from 9 p.m. at night to 6 a.m. in the morning each day.

## Stay in touch

In response to last year’s survey, the Village is letting Bluffers know about community events and happenings online. Make sure you’re in the loop!

**FOLLOW US:**

**Facebook** [facebook.com/LakeBluffIllinois/](https://facebook.com/LakeBluffIllinois/)

**SUBSCRIBE:**

**Village weekly e-mail** [lakebluff.org/e-news/](http://lakebluff.org/e-news/)

*A sign-up opportunity is also enclosed with your 2018 Vehicle Sticker Renewal.*

## Water Quality Report

View your most recent Annual Water Quality Report at [lakebluff.org/WaterQualityReport](http://lakebluff.org/WaterQualityReport). This report contains important information about the source and quality of your drinking water. The 2018 Report will be available no later than July 1, 2018 at this URL. If you would like a paper copy mailed to your home, call 847-234-0774.

## How to be involved

We welcome residents who want to be involved in the decision-making process.

- ▶ **Read up:** Summaries of actions at recent and upcoming meetings are included in each of the Village’s weekly e-mails. Boards approve a written record of each meeting (the minutes), which is also posted online.
- ▶ **Watch from home or on your phone:** Videos of each meeting are broadcast live on Comcast channel 19, and are also posted on the Village’s website shortly after each meeting.
- ▶ **In person:** Meetings are generally held at 7 p.m., and there is an opportunity for open public comment at each meeting. See the schedule on the back of this newsletter.
- ▶ **Write us:** Letters received at Village Hall, or e-mails sent to [vlb@lakebluff.org](mailto:vlb@lakebluff.org), are shared with the addressed boards and commissions.
- ▶ **Volunteer:** The Village always accepts volunteer applications from those interested in serving on an advisory board. An application can be obtained from Village Hall.

# News from Lake Bluff Park District

## Options for future of Golf Course

*continued from front*

Park District property from residential to recreational, institutional, and open space; and provide an answer to residents who have asked what the Park District would need from the community to make the Golf Club financially viable.

Once these actions are completed, the Board will discuss the findings and vote on the question at a future meeting.

The Golf Club will be open for the entire 2018 season and memberships purchased for this season will be honored regardless of the outcome of the vote.

For more information, including a list of questions about the Golf Club asked by members of the community and answered by the Park District, please visit [LakeBluffParks.org/futuregolf](http://LakeBluffParks.org/futuregolf).

## See what's new at the Lake Bluff Health & Fitness Center

Have you visited the Fitness Center lately? Besides a completely new look we now feature all inclusive memberships, a new yoga program and brand-new equipment. You will also find new Group X classes, great deals on personal training and wellness programs for all ages.

Commit to a healthier lifestyle through participation in our Fitness Center's innovative, motivating, effective and FUN exercise programs and activities! Improve your quality of life and have some fun with our highly trained and professional team of fitness associates, instructors and trainers who will safely and effectively guide you to your goals!

## New community movement: GO Lake Bluff

The Lake Bluff Park District has partnered with the Lake County Health Department on a new community movement, **GO** Lake County, to improve the health of Lake County residents by promoting the simple act of walking as a means to improve health. Thirty minutes of walking daily is recommended and **GO** Lake Bluff will engage the community in this healthy activity.

“We want to create a culture in our community that promotes physical movement. **GO** Lake Bluff is designed to encourage everyone to make a commitment to themselves and get moving for 30 minutes each day,” explains Ed Heiser, Superintendent of Facility, Communication and Promotion Services.

The Lake Bluff Park District challenges all residents to get outside this summer and enjoy our spectacular facilities and parks. Whether you enjoy walking, biking, running, swimming, golf, tennis, yoga or any other activity, make it a regular part of your day.

There are many benefits to moving for 30 minutes every day. Walking can help to prevent and reduce the risk of chronic diseases, premature death and supports positive mental health. The Lake Bluff Park District is excited to introduce **GO** Lake Bluff to our community with the support of our local government partners.

## Park Board President's message

Dear Lake Bluff Park District Residents:

As the warm summer months grow closer, we are gearing up for another busy season at the Lake Bluff Park District. Soon the beach and pool will be full of swimmers, children will be busy at camps and music lovers will fill the Village Green to hear the summer Bluffinia concerts.

On behalf of the Lake Bluff Park District Board and staff, I want to thank everyone who took the time to attend our public input meetings about the question of whether the Park District should continue to offer and operate the Golf Club. We are encouraged by the show of interest and ready to continue the process of making a thoughtful, well informed decision.

The Park District is committed to listening to and engaging residents in an ongoing process to determine the programs, services and recreational opportunities that meet the needs of the greatest number of Lake Bluff residents. This engagement is critical to helping us meet the goals of the Park District's Strategic Plan: Determining a future vision and direction that will maximize the number of Lake Bluff residents who can enjoy quality community recreation and health opportunities, and allocating the community's resources responsibly.

This summer, the Park District is looking forward to completing the final projects from the 2014 referendum including improvements to the walking paths, basketball court and playgrounds in the Knollwood Park system, and to the shelter at Sanctuary Park.

I hope you will take the time to experience our many unique outdoor programs and facilities this summer. I look forward to seeing you there!

Best regards,

Rob Douglass, Board President

### Park Board Meetings

The Park Board meetings are scheduled at 6:30 p.m. the third Monday of each month at Lake Bluff Park District Recreation Center at Blair Park, 355 W. Washington Avenue in Lake Bluff.

The public is invited to attend meetings. Please visit [www.lakebluffparks.org](http://www.lakebluffparks.org) for Committee meeting agendas and to view all regular Board meetings online.

# News from the Lake Bluff Schools

## Financial awards

*continued from front*

to account for how taxpayer dollars are spent,” explains District 65 Superintendent Dr. Jean Sophie. “The preparation of the CAFR goes one step further, providing additional transparency by supplying historical context and more in-depth information on the financial and economic state of the District. This is similar to a corporate annual report, but is designed to be more user-friendly and accessible to community members.”

## Lake Bluff students shine in regional science “track meet”

Fourteen Lake Bluff Middle School students recently took part in the regional Science Olympiad, a team competition that drew students from 11 middle schools. The annual event is like an academic track meet, as teams compete across disciplines of earth science, chemistry, anatomy, physics, geology, and mechanical engineering. The Lake Bluff students medaled in five of the 23 events.

This is the fourth year in a row that Lake Bluff students have participated in, and medaled at, the event.

Each of these activities complements the incorporation of STEAM learning into the Lake Bluff curriculum. STEAM stands for the integration of Science, Technology, Engineering, Art and creativity, and Math into one educational experience. This often involves projects where students work as teams to solve real-world problems. While strong skills in single subjects are vital, putting them together this way does an even better job of preparing students for the future.

“The community can take such pride in each of the students, regardless of the position in which they finished. They all worked so hard, doing their own work and supporting their fellow team members,” said Dr. Jean Sophie, Superintendent of Schools. “Parent volunteers, teachers and staff worked tirelessly to support and encourage the students, and this made such a difference to their success.”

## Robotics takes off at Lake Bluff Elementary

Students are writing computer code to operate robots in their weekly Robotics Club at Lake Bluff Elementary School. They’re building and programming the robots to perform a variety of functions – including turning in circles, moving around the classroom, playing a keyboard, and even hitting a ball.

Students have the freedom to choose their own projects in the STEAM-based program, and work individually or in teams. *See paragraph at lower left for a definition of STEAM.*

The club, open to all 4th and 5th grade students, came about after a group of 5th graders proposed the idea to the School Board last year.

## Planning for the next Board elections

Three School Board positions must be filled in the April 2019 elections.

Election laws require that paperwork for those seeking to run for school board in the April 2019 elections must be filed by the end of December 2018. That deadline is approaching quickly.

To help facilitate the process of filling those board positions, the District will work with Vote Lake Bluff ([www.votelakebluff.org](http://www.votelakebluff.org)) to host a series of educational meetings for interested community members. It is expected that there will be two meetings, one in early May and a second in early November, where veteran board members, school administrators, and a representative from the Illinois Association of School Boards will be on hand to help residents understand the realities of working on the School Board. District 65 and Vote Lake Bluff will publicize those meetings as more information becomes available.

In the meantime, please don’t hesitate to contact President Barry at [mbarry@lb65.org](mailto:mbarry@lb65.org) with any questions about the ins and outs of serving on the Board.

## Wizard of Oz at LBMS April 20 & 21

Lake Bluff Middle School students will present The Wizard of Oz, on Friday, April 20 at 7:00 p.m. and Saturday, April 21 at 2:00 p.m. at the Middle School. The spring musical is a highlight of the annual school year, with a cast of 89 and over half of the school population involved in cast and crew duties. The sixth, seventh and eighth graders have been working on the show since auditions in January.

General seats are \$10 and are available at the online webstore at <https://store.lb65.org>, and if not yet sold out, at the door.

**LAKE BLUFF  
SCHOOLS  
DISTRICT 65**

## Three new websites on the way

District 65 will soon launch new websites for the District and the two schools. With the requirements of being user-friendly, compliant with the latest rules regarding accessibility, and able to present plenty of fresh content, they will offer parents, families and community members a new, positive online experience.

New features will include parent newsletters, customized communications, in-depth financial profiles, and more. Existing tools, such as a synchronized subscription-capable calendar, news and announcements, and current photos of students and staff, are being updated and improved. A mobile app will be introduced.

The website redesign kicked off last summer. It was led by Dr. Kevin Rubenstein, the District’s Director of Student Services, Technology, & Assessment. Dr. Rubenstein’s team chose Campus Suite, an Indiana school communications technology firm, to handle the project and provide ongoing support.

“The new sites will give residents a clear picture of District finances, an updated view of student achievement, and a current understanding of what is happening in their schools,” said Superintendent Dr. Jean Sophie. “These are wonderful, timely upgrades, and I am very excited about the possibilities for the mobile app.”

Dr. Rubenstein added, “The sites will look great and be easy to use, and they will reflect the level of service that the Lake Bluff community expects from its schools.”

The changes are expected to go live later this spring and will continue to be found at:

District 65 – <http://www.lb65.org>

Lake Bluff Elementary School – <http://es.lb65.org>

Lake Bluff Middle School – <http://ms.lb65.org>

## School Board President’s message

Dear Fellow Community Members:

I appreciate this opportunity to update the community on what is going on at your schools. This newsletter is packed with useful information. I will touch on just a few issues and encourage you to read on to get more details. Please do not hesitate to reach out to me with anything school related at [mbarry@lb65.org](mailto:mbarry@lb65.org).

District administrators and the School Board, led by Dr. Sophie, have been working diligently on the District’s new Strategic Plan. That plan will be our guiding light for the next three to five years. We are currently identifying specific metrics that will make it possible to measure success in each goal area, and the Board is expected to approve the final version in June.

When complete, this plan will represent the collective vision of the community, as dozens of stakeholders have been involved in the process. Thanks to all those involved. It is because of your hard work and dedication that the Lake Bluff schools will have this vision for greatness. The final plan will be available at the District’s website, [www.lb65.org](http://www.lb65.org).

As always, please reach out with any questions or concerns.

Warm regards,

Mark Barry, Board President
